## OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 30 March 1977

25X1

1. [REDACTED] LIAISON Jeannie, on the staff of the Subcommittee on the City, House Banking, Currency and Housing Committee, called requesting 10 page-size maps of Europe. She said she was referred to this office by the Library of Congress. After checking with the Map Library, I told Jeannie that I would get these maps up to her this afternoon or no later than tomorrow morning.

25X1

2. [REDACTED] LIAISON Called Craig Pettibone, Civil Service Commission, and asked him if he would give me the reference to the decision of the Comptroller General that he mentioned to [REDACTED] which requires a refund of Social Security payments to a reemployed annuitant if it is found that he was erroneously denied benefits under the Civil Service retirement system. He said he would get back to me with the information.

25X1

3. [REDACTED] BRIEFING Keith Adkinson, Senate Government Operations Permanent Subcommittee on Investigations staff, called and advised that he still was not able to give a definite time for Senator Sam Nunn's (D., Ga.) briefing on the Agency's activities in the collection of foreign intelligence on illegal narcotics trafficking. He said he would call us as soon as he can give us a definite time. Mr. Shackley's, ADDO, office was advised.

25X1

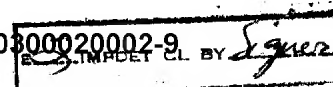

4. [REDACTED] BRIEFING Norvill Jones, Senate Foreign Relations Committee staff, called and said the 31 March briefing for the full Senate Foreign Relations Committee had to be postponed. After discussing possible alternative dates, we set the briefing for 4 April 1977 at 2:30. I mentioned that since we would now be briefing the full Committee on world-wide events, including Zaire, perhaps Senator Dick Clark (D., Iowa) would want to cancel the briefing of his African Affairs Subcommittee on 6 April on Zaire. He said he would check and get back to me. We also discussed the clearances of Pauline Baker, on the Committee staff.

5. [ ] BRIEFING Steve Bryen, Senate Foreign Relations Committee staff, called requesting a briefing for Senator Richard Stone's (D., Fla.) Subcommittee on Europe and the Middle East on the situation in Lebanon in-depth. We set 7 April at 1:00 p.m. in S 116, Capitol, as the time and place for the briefing. [ ] DDI/CPS, and Security have been advised. There will be a transcript and Bryen, Norvill Jones, and Bill Ashworth, all of the Committee staff, will attend. Bryen will ensure that no personal staffers will attend.

6. [ ] BRIEFING Jack Brady, House International Relations Committee staff, called requesting the date EO 11905 appeared in the Federal Register. He said Chairman Clement Zablocki (D., Wis.) is holding a meeting of the Subcommittee chairmen today to discuss setting up procedures for covert action briefings under Section 662 and wanted to have the Executive Order at that time.

25X1

7. [ ] LIAISON Called Paul Daly, FBI, and obtained an update on the investigation of the lost briefcase.

25X1

8. [ ] LIAISON Called Bill Miller, Staff Director, Senate Select Committee on Intelligence, to ask if it would be possible to defer until after the Easter recess the open budget session scheduled for early in April in order to assure sufficient time for consultation on the Hill. Miller saw no problem and will discuss with Senator William Hathaway (D., Maine), but said the controlling sentiment was not on the side of Chairmen John L. McClellan (D., Ark.), Senate Appropriations Intelligence Operations Subcommittee, or John C. Stennis (D., Miss.), Senate Armed Services Intelligence Subcommittee.

I also discussed procedures to be followed to assure that the Agency's case had been appropriately heard on the troublesome aspects on the Micronesia statement. Miller recommended a session with the full Committee as opposed to seeking out individual Senators and recommended that Mr. Knoche, DDCI, call Chairman Daniel K. Inouye (D., Hawaii), Senate Select Committee on Intelligence, in an effort to resolve the problem prior to possible consideration of resorting to the formal mechanism of Executive Branch disapproval of publication as set forth in Section 8 of S. Res. 400. The DDCI was advised.

15. [ ] LIAISON I was called by Mr. James Fiesta, in the office of Representative Clarence D. Long (D., Md.), regarding a constituent's request for information on the Kennedy assassination. This constituent, [ ] is a graduate student and is preparing a thesis on the assassination. He had seen a newspaper article reporting an FOIA release from the Agency of about 850 pages of material on the assassination to the Associated Press. Mr. Fiesta is sending me a copy of the newspaper article so that we can more clearly identify the material with IPS, and if it has been released it will be provided to the constituent through Mr. Fiesta. (Note: There have been prior OLC contacts with Mr. Fiesta on this FOIA request.)

19. [ ] BRIEFING At [ ] suggestion,

25X1

I called Tom Smeeton, House International Relations minority staff member, to ask if we might meet with, and debrief people who had attended our 16 March briefing on Panama for the Subcommittee on Inter-American Affairs and then went to Panama the next day. Smeeton called back to say that minority staffers, Ev Biermann and Ed Fox could meet with us on Friday, 1 April at 1000 hours.

25X1

I advised [ ] CPS, who called back to say that the analyst was uncertain about the timing and about the value of the debriefing. [ ] suggested we would be primarily interested in meeting with members, rather than staffers, and that the value would be as much to get feedback on our earlier briefing and for public relations purposes as for the intelligence return. I called Smeeton and said Friday would be a difficult time for us to meet with the staffers, and noted our greater interest in meeting with members. Smeeton pointed out the problems of getting members to make such meetings. We left it that I would call him back if we wanted to go ahead with a meeting at a later time, Smeeton noted that the sooner the debriefing occurred, the fresher the information would be.
